6.0 DEFINITIONS

Not Applicable.

7.0 POLICY

7.1 HARSHIP

Council recognises there are cases of genuine financial hardship requiring respect and compassion in certain circumstances. This Policy establishes guidelines for the assessment of hardship applications by applying the principles of fairness, integrity, confidentiality and compliance with statutory requirements.

7.1.1 Assessment Process

Cases of genuine hardship will be considered in accordance with Council’s adopted Policy.

Applications for Hardship must be received in writing. Council may also request the ratepayer to attend an interview to assist Council in understanding the issues causing hardship.

In determining eligibility Council may use the criteria used by Centrelink for granting of a pensioner concession card, including the assets and income test.

Where the application relates to Rates and /or Annual Charges applicable to a specific property,

- a. the property for which the hardship application applies must be categorised as 'Residential' or 'Farmland' for rating purposes. However in exceptional circumstances which impact the community generally or have a broad impact on businesses, and subject to Council resolution, hardship provisions may be extended to properties categorised as “Business” for rating purposes. (Exceptional circumstances can include, but are not limited to, events such as a pandemic, a health crisis, a state of emergency, severe widespread economic stress).
- b. the applicant must be the owner or part owner of the property and is liable for the payment of rates on the property
- c. the property for which the hardship application applies must be the principal place of residency (or Business in exceptional circumstances as in (a) above) of the applicant/s

- d. Council will require the application for hardship to be accompanied by certain information and documentation, which may include but is not limited to
- reasons why the person was unable to pay the rates and charges when they became due and payable
 - copy of recent bank statements for all accounts
 - details of income and expenditure
 - letter from a recognised financial counsellor or financial planner confirming financial hardship.

Authorised staff will assess applications due to hardship and payment arrangement plans from any customer. All applications will be referred to the General Manager, Director Support Services or Chief Financial Officer, for final determination.

7.1.2 Assistance by Periodical Payment Arrangements

Section 564 of the Local Government Act 1993 provides that Council may enter into a formal agreement with a ratepayer eligible for alternative periodical payments for due and payable rates and charges. A periodical payment arrangement will be offered in accordance with this Policy.

In accordance with Section 568 of the Local Government Act 1993, payments will be applied towards the payment of rates and charges in the order in which they became due.

7.1.3 Assistance by Writing off accrued interest and costs

Accrued interest on rates or charges payable by a person may be written off under Section 567 of the Local Government Act 1993, if:

- 1) The person was unable to pay the rates or charges when they became due for reasons beyond the person's control, or
- 2) The person is unable to pay accrued interest for reasons beyond the person's control, or
- 3) Payment of the accrued interest would cause the person hardship.

7.1.4 Assistance to extend pensioner concession to avoid hardship

Section 577 of the Local Government Act 1993 enables Council to make an order deeming certain persons who are jointly liable with an eligible pensioner(s) or solely liable, but who are not themselves eligible, to be eligible pensioners for the purpose of a mandatory reduction in rates and charges to avoid hardship.

Section 577 of the Local Government Act 1993 makes provision for Council to declare a ratepayer a "Pensioner" in certain specific circumstances, providing such action by Council would assist that ratepayer in avoiding hardship. For this provision to be applicable the ratepayer must be jointly or solely liable for the payment of rates and charges applicable to a property that is partly owned by a Pensioner. A statutory declaration by the ratepayer is required for this process.

7.1.5 Assistance due to General Revaluation of the Local Government Area

Section 601 of the Local Government Act 1993 provides that where any ratepayer who suffers substantial hardship as the consequence of the making and levying of a rate following a new valuation, may apply to Council for rate relief. Assistance is only available in the first year new valuations are used to calculate rates.

Section 601 (2) of the Local Government Act 1993 provides that the Council has a discretion to waive, reduce or defer the payment of the whole or any part of the increase in the amount of the rate payable by the ratepayer in such circumstances, for such period and subject to such conditions as it thinks fit.

As valuations are independently determined by the NSW Valuer General, Council will encourage aggrieved ratepayers to make an appropriate application under the appeal provisions of the NSW Valuation of Land Act 1916. However, Council will consider hardship applications under this provision.

7.2 PENSIONER CONCESSIONS

A number of concessions are available to eligible pensioners on the rates and charges levied by Council.

The concessions available will depend on the applicable charge.

7.2.1 Eligibility

In accordance with Local Government (General) Regulation 2005 – Clause 134, an eligible pensioner under this Policy is a person who receives:

- a pension, benefit or allowance under Chapter 2 of the Social Securities Act 1991 of the Commonwealth and hold a pension concession card issued by or on behalf of the Commonwealth Government
- a service pension under Part 111 of the Veterans' Entitlements Act 1986 of the Commonwealth and hold a pension concession card issued by or on behalf of the Commonwealth Government
- a pension from the Commonwealth Department of Veterans' Affairs as the widow or widower of a member of the Australian Defence force or Peacekeeping forces or the unmarried or widowed mother of a deceased unmarried member of those forces (people in both of these categories are eligible only if they would also be eligible for a pension concession card from Centrelink)
- a general rate of pension adjusted for extreme disablement under Section 22(4) of the Veterans' Entitlements Act 1986 of the Commonwealth, or a special rate of pension under Section 24 of that Act.

7.2.2 Principal Place of Residence

To be considered for concessions under this Policy the property must be within the Hawkesbury Local Government Area and is the applicant's sole or principal place of residence.

7.2.3 Life Tenancy

As provided by Section 577 of the Local Government Act 1993, Council will grant a Pension Rebate where an eligible pensioner, not the owner of the property, has a life interest in the property and is responsible for the payment of rates and charges. Council requires confirmation in writing preferably from a legal representative with a copy of the will of a deceased estate, copy of the Certificate of Title if the life tenancy is registered or relevant documentation to validate a life tenancy agreement.

7.2.4 Ordinary Rates and Charge for Domestic Waste Management Service

The Local Government Act 1993 provides for pension rebates of 50% of the aggregated ordinary rates and charges for domestic waste management services, up to a maximum of \$250.00.

Under the State's mandatory Pensioner Concession Scheme, the State Government reimburses Council 55% of the rates and charges written off under the provisions of the Local Government Act 1993. Council funds the remaining 45% up to a maximum of \$112.50 per assessment.

7.2.5 Sullage Services

Council provides eligible pensioners receiving a sullage pumpout service with a pensioner subsidy additional to that received for rates and garbage. This subsidy is not available to pensioners who have non-eligible adult residents living at their property.

This rebate is fully funded by Council. The State Government provides no assistance towards pensioners on the sullage service.

The rebate provided to eligible pensioners receiving the sullage pumpout service is established each year as part of Council's Operational Plan for that year.

7.2.6 Sewerage Services

A concession is available to eligible pensioners who are subject to the residential connected charge under the Windsor Sewerage Scheme.

The rebate provided to eligible pensioners receiving the sewerage service is established each year in line with statutory requirements and as part of Council's Operational Plan for that year.

7.2.7 Calculating the Rebate

The amount by which the Rates and Charges are reduced is calculated based on the ownership of the property. If the person making the application is an eligible pensioner who is solely liable or jointly liable with one or more jointly eligible occupiers but with no other person (jointly eligible occupier is the spouse or de facto partner of that eligible pensioner) then a full rebate is granted. Otherwise a percentage of the rebate is calculated in relation to percentage of ownership.

7.2.8 Pension Rebate Application

Pensioners requesting a rebate are required to submit an application on the prescribed form and hold a current Pension Concession Card issued by Centrelink or Department of Veterans Affairs to qualify for any reduction in Rates and Charges.

7.2.9 Pensioner Rebate Eligibility Confirmation

Council confirms eligibility once a year with Centrelink, usually in late May or early June. At this time if a pensioner's eligibility is not confirmed Council is not able to grant a rebate on their Rates and Charges issued in July. A pensioner who's eligibility has not been confirmed may reapply to Council at any time, a check using Centrelink's online confirmation service will be made to confirm the eligibility status.

If a ratepayer is in receipt of a Pension Concession Card, currently receiving a pension rebate on a property considered to be their sole and principal place of residence and is then required to enter an aged care facility for health or care reasons, the pension rebate will continue to apply as long as the property is not being rented or occupied.

7.2.10 Claim for Prior Year's Pension Rebates

Pension rebates will be granted to pensioners who meet the eligibility criteria and will be limited to the current rating year and the previous rating year prior to the application (provided the pensioner would also have been eligible in the previous year).

7.2.11 Pension Rebate Cancellation

Where an owner ceases to qualify as an eligible pensioner, or sells the property to which the rebate applies, the rebate will cease at the end of the current instalment.

7.2.12 Pension Rebate Amount

To receive the full year's rebate on rates the pensioner must be eligible at date of service of the Rate Notice. If the pensioner becomes eligible after service of the Rate Notice they are entitled to a pro-rata amount of the rebate, which is determined as follows:-

Date of Eligibility	Amount of Rebate
Eligible after issue of Rates Notice but before - 30 September	$\frac{3}{4}$ (75%)
1st October – 31 December	$\frac{1}{2}$ (50%)
1st January – 31st March	$\frac{1}{4}$ (25%)
1st April – 30th June	NIL

7.3 DEBT RECOVERY

7.3.1 Rates and Annual Charges

- are pensioners

General Debtors

General debtor accounts are considered overdue immediately following the due date.

If within 14 days of the issue of the Final Notice, payment in full is not made, or a satisfactory arrangement not entered into, a list of remaining debtors, along with outstanding balances, will be forwarded to Council's Debt Recovery Agent for further action.

7.3.4 Payment Arrangements

Rates and Annual Charges

For rates and annual charges Section 564 of the Local Government Act 1993 makes a provision for payment arrangements. A ratepayer may at any stage make an arrangement to pay off their overdue account by regular instalments/payments. The request can be made in writing or directly with authorised rates/revenue staff.

HAWKESBURY CITY COUNCIL POLICY

Hardship, Pensioner Concession and Debt Recovery Policy

Payments are to be made on a regular basis, weekly, fortnightly or monthly. Where applicable, the agreement will be confirmed in writing to the ratepayer.

Arrangements are to be made to have all overdue rates and charges cleared within 12 months and provision is to be made to include all instalments as they fall due within the arrangement period.

Extenuating circumstances can be taken into consideration if the above conditions cannot be met, but must be referred to the Rates and Revenue Coordinator for approval.

Interest will continue to accrue on any arrears during the period of arrangement.

Any arrangement that is defaulted will automatically cancel the agreement and be immediately referred to the Council's Debt Recovery Agent for appropriate action. Should two arrangements within any rating year be defaulted by any ratepayer no further agreements will be entered into for that rating year and payment will be required in full.

General Debtors

For general debtors an arrangement may be made at any time to pay off overdue accounts by regular instalments. The request must be made in writing or directly with authorised rates/revenue staff. A suitable arrangement is one by which the total debt is cleared within 90 days from the original due date of the invoice in question.

Extenuating circumstances can be taken into consideration if, the above conditions cannot be met, but must be referred to the Rates and Revenue Coordinator for approval.

Any arrangement that is defaulted will automatically cancel the agreement and be immediately referred to the Council's Debt Recovery Agent for appropriate action.

A payment arrangement is considered to be in default if the obligation as agreed has not been met by the ratepayer. Discretion to proceed to the next stage of debt recovery will be exercised taking into consideration the ratepayer's history in regard to payments and the stage the debt recovery process is at.

7.3.5 Legal Action

Annual Rates and Charges

The letter will request the outstanding balance be paid within seven days or legal action will be commenced. Those ratepayers who do not fall into this category will be sent a Final Reminder Letter by the Agent.

Ratepayers who do not pay after receiving a Seven Day Demand Letter, or make satisfactory arrangements either with Council or Council's Debt Recovery Agent, will be subject to legal action as recommended by the Debt Recovery Agent. This action is to be approved by Council officers before commencement.

Any legal or other expenses incurred by Council from the recovery of overdue rates and charges will be charged against the ratepayer in accordance with Sections 550 and 605 of the Local Government Act 1993 and form part of the ratepayer's debt.

7.3.7 Costs and Interest

Unless the imposition of costs and/or interest are deemed to be in error, the waiving of costs and/or interest will not be considered until all overdue Rates and Charges are paid in full. When assessing the writing off of costs, in accordance with Section 567 of the Local Government Act 1993, the following circumstances are considered:

- the ratepayer is experiencing genuine hardship. In such cases, Council may request the completion of a Financial Statement detailing their Income, Assets and Expenses
- the ratepayer is a "first-time" offender, has previously had a good payment record and there are mitigating circumstances
- they are a new owner in the Hawkesbury, and their solicitor has notified Council of an incorrect address for service of notices
- prolonged or serious illness has prevented the ratepayer meeting their expenses
- each application for writing off of rates and charges would be checked to ensure compliance with the provisions of the Local Government Act 1993. Each application would be considered on its merits.

7.3.8 Pensioners

Eligible Pensioners will be subject to all provisions of this Debt Recovery Policy with the exception of legal action pursued by Council's Debt Recovery Agent. Final Notices are to be issued to any pensioner accounts that remain outstanding past the respective due dates.

Recovery of any outstanding debt will be via other avenues and wherever possible, payment arrangements should be negotiated for the outstanding balance. Flexibility should be extended to pensioners when negotiating payment arrangements.
